The image features three young women standing in a public square, likely in front of a Gothic cathedral. They are dressed in 1990s-style streetwear. The woman on the left wears a white mesh long-sleeve top over a red t-shirt and white cargo pants. The woman in the center wears a white and red track jacket with patches, red pants, and a pearl necklace. The woman on the right wears a red, white, and black track jacket over a white mesh crop top and blue cargo pants. The background shows the stone facade of a large building with Gothic architectural details.
